

Mn MEETING NEEDS
Release Notes 2022.11.4

Introduction

The following document will highlight the various improvements we have made to our application Meeting Needs.

<https://support.schooldata.net/hc/en-us/categories/360006159873-Meeting-Needs>

Improvements

MNMN-45

Add selected rows action to allow Educator to add multiple students to a single meeting.

MNMN-44

Add selected rows action to allow School Admin to add multiple students to a single meeting
