

 **HOMEROOM DASHBOARDS
RELEASE NOTES 2022.12.2**

Introduction

The following document will highlight our various improvements to our application Homeroom Dashboards, located in our application bundle “Dashboards and Distributions”.

<https://schooldata.net/suite/applications/homeroom-dashboards/>

Improvement

HOMEROOMV2-2060

Add GradeLevel filter and SchoolType to the Screen View Collections builder.

Bugs

HOMEROOMV2-1976

Gridster resizing adds whitespace below the container instead of resizing the container.
