

## ALE for Parents: Taking the Class Interest Survey

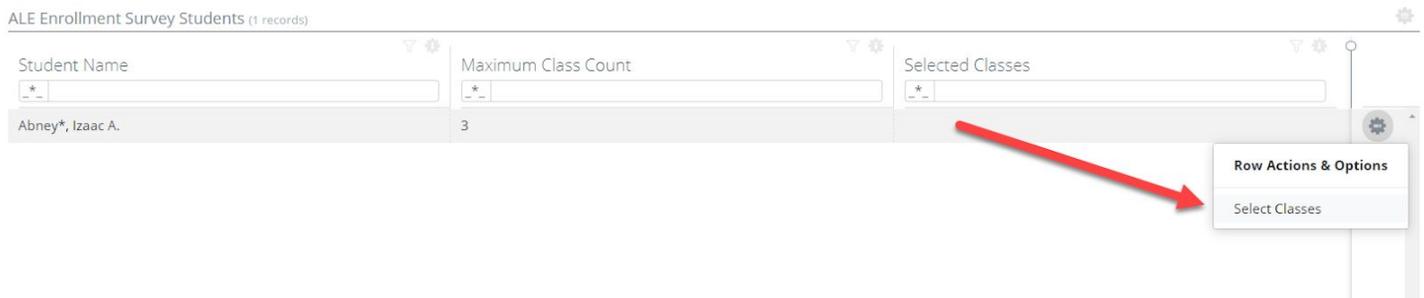

In the ALE Application, parents can be given the opportunity to complete a survey, indicating their interest in class offerings for the upcoming term or school year. If this is utilized in your program, you will be notified when the link is available in the left navigation after logging in.

After logging in, click on the “ALE Class Survey” link in the left navigation bar:

Here you will see a list of all the students you are associated with and how many “votes” they have each been allocated in the “Maximum Class Count” column.

Using the row action gear next to one student, choose “Select Classes.”

A form will open where you will choose the classes you'd like to vote for. Click "Select."

At the top right of the interface is a blue button labeled 'Add ALE Classes' with a red arrow pointing to it. At the bottom right, a button labeled 'View Selected' is highlighted with a red box. The interface also shows pagination information: '1 - 50 of 440', 'Page 1 of 9', and '50 per page'.

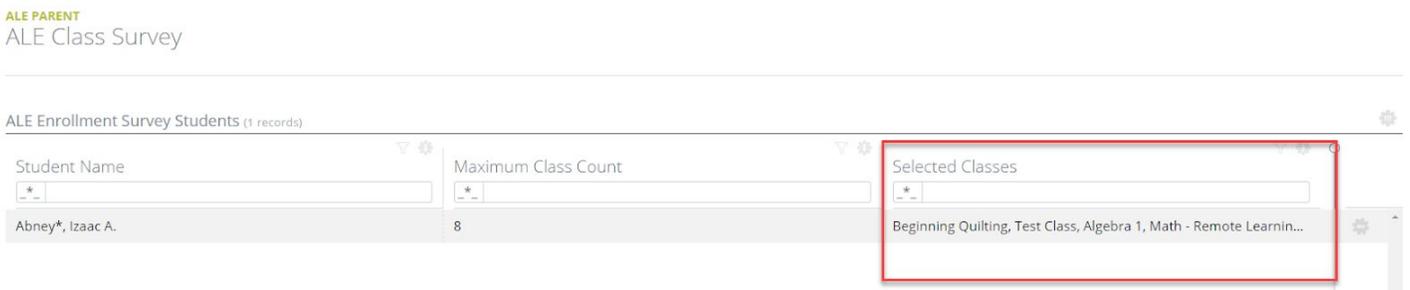

If you attempt to exceed the number of “votes” given to you for this student, you will receive a message reminding you how many classes you may choose.

To remove a selection, click the “x” mark next to the name:

Once chosen, the classes will display in a list in the table on the Ale Class Survey Page.
