

May 18th, 2021 Lunch & Learn

FAQs

Questions and answers from the May 18th Data Admin Lunch and Learn are listed below. Please contact support@schooldata.net if you need further clarification.

- 1. How does the “counting” of assessments work for the Data Loading Agreement? Would it be 5 separate types of tests so i-Ready math would be 1 test for the whole year or is that considered 3 tests since it is administered fall, winter, spring. If we chose all of i-Ready diagnostic tests would it count as 1 test, 2 tests (math and reading) or 6 (math and reading 3 times per year)?**

iReady would be considered 1 test for the whole year for both math and reading, including all of the administrations for the year.

- 2. Are you aware that WA-AIM is continuing as scheduled, but there is flexibility for teachers to test in the "Fall"?**

We were unaware until now, and will make sure that our system can handle both spring and fall loading of the assessment.

- 3. While we are in the Year End/Year Start process, can access and work on ALE courses and library during that time?**

Yes, you can.

- 4. Can you share the link to the Year End Rollover Doc?**
