

## **Evaluation Criteria By Task Template**

This **Data Extract** allows the user to download a spreadsheet of the Performance Levels selected and Focus selected for an Evaluatee of the selected task template. Only tasks that have been marked complete will be included.

Since data from this extract is downloaded, it allows for additional manipulation, combining with other data, record keeping, or any other purpose.

Data access is restricted to users who have access to it: Evaluation Data Administrators, Evaluators (only proves data for their Evaluates), and Evaluation Monitors.

Log into SchoolData.net at [yourdistirct].schooldata.net/v2/data-table-manager with your SchoolData.net username and password OR locate the Data Table application.

Click Create Data Table on the left navigation panel.

Click the Browse Category button next to District Data Extracts>Evaluation Criteria By Task Template.

Click the **Build Data Table** button. Next, select **School Year** (current) and **Evaluation Task** (Observation/Evaluation). Next, click the **Action Gear** and select **Download Data Table**.
