RESETTING YOUR PASSWORD

If you are having trouble logging in, resetting your password is the quickest way to fix it.

Click on **“Reset Your Password”** in the lower left-hand corner (far left of the blue **“Sign In”** button).

Type in your username or email, then click **“Send Verification Code.”**

Forgot your password? It happens. Follow these 3 simple steps to reset your password. If you want to start over, click 'Restart' at the top. If you need help, contact us at support@schooldata.net and we'll guide you through the process, step-by-step.

- Tell us who you are**

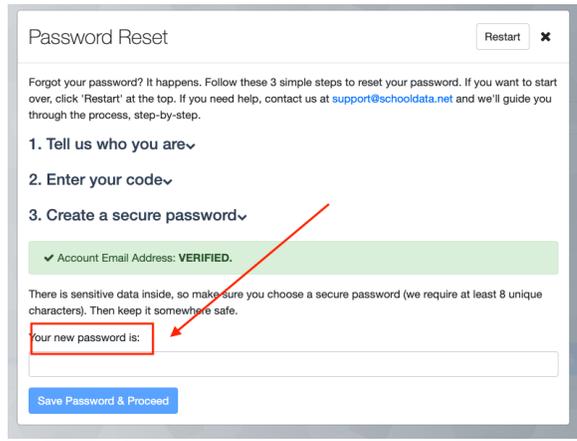

We need to know who you are before we can reset your password.

Enter your email address or username below and click 'Send Verification Code'. We'll email you a special code to enter in the next step.
