

Four Year Plans (Student View)

Students investigate classes and assemble a four-year plan to fulfill graduation requirements. Credit Waiver and Substitutions are tracked here to coordinate with graduation requirements. Financial Aid information is also provided to them, along with a survey to help guide the investigation of options.

Log into Career Planner: [https://\[yourdistrict\].schooldata.net/v2/four-year-planning](https://[yourdistrict].schooldata.net/v2/four-year-planning)

Four Year Planning can also be accessed from your High School and Beyond Application in the left navigation window.

All Courses (back to [Quick Links](#))

This is where students can review all of the active courses at their school. If students are looking for a specific course, they can type in the name of their class/course in the “**Course Description**” column. Click the Course Code (in blue) to view a pop-up containing more course information. Students can also choose **Heart/Favorite** specific courses to filter through later when building their plans.

Four Year Plan Templates [\(back to Quick Links\)](#)

Students can browse the **Template options** available to build a plan here. Templates are custom-made, so the students may want to look through them to see which is most applicable, as some have suggested courses, specific Graduation Requirement orders, etc.

Search a template by typing a title in the column **filter box** or clicking the **Column Actions and Options** gear.

To **Create a Plan**, click the **Row Actions and Options** gear icon on the same row to the right of the template and select **“Create Plan for Me.”**

Financial Information (FAFSA) (back to [Quick Links](#))

Here is where students can review information regarding **Financial Aid**. When clicked, students will notice blue texts that are hyperlinks and will open a new window containing specific information regarding the subject they clicked on. (**FAFSA, WASFA, Washington State Financial Aid Resources**, etc.)

Financial Information

[Launch Survey](#)

Don't let the cost of college stand in the way of your career goals.

The information below helps you learn about many options to pay for education. Grants and scholarships are free money for your education. Apply for many grant and scholarship opportunities. The time you invest to search and apply for free money could make a difference in the college you attend and the amount of money you may need to borrow.

It all starts with the FAFSA or the WASFA. In Washington, students complete one of two applications to be considered for student financial aid: the FAFSA (Free Application for Federal Student Aid) or the WASFA (Washington Application for State Financial Aid). The applications open October 1 each year and students should try to complete their financial aid application as soon as possible after that date. In addition to state and federal aid, many school-based and school-funded scholarships require students to submit a FAFSA or WASFA form for consideration.

The FAFSA

U.S. citizens and eligible non-citizen students will be considered for grants, loans and work-study funds upon completion of this form. Federal aid can be used at technical, two-year and four-year colleges and universities across the country. Learn more about eligibility requirements and complete the FAFSA at FAFSA.gov and studentaid.ed.gov/.

Direct links to FAFSA resources

- [Documentation](#) necessary for completing the FAFSA
- Application [Deadlines](#)
- FAFSA information for students who have been in [foster care](#)
- FAFSA information for students who are, or are at risk of, being [homeless](#)
- Information about eligibility for [Federal Aid for non-U.S. citizens](#)
- [Getting Help](#)

The WASFA

The state of Washington offers financial aid for people who aren't eligible for federal aid, including undocumented students. Financial aid is money that can help you pay for more education after high school. Complete the [Washington Application for State Financial Aid \(WASFA\)](#) to see if you are eligible.

In addition, a short **Financial Aid Reflection Survey** for students to complete. **Launch the Survey** in the top right corner.

A pop-up window will appear with various questions for the student to answer regarding the FAFSA information. There are fifteen questions to complete. The tracking bar at the bottom will turn green as you progress.

SURVEY
Financial Aid Reflection

Question 6

Why is it important for you to submit your application early?

Enter your answer here...

Once complete, it will ask you to **Click the URL** and **Check off** the blue banner at the bottom that says, “I understand the Financial Aid opportunities available to me.”
