How to Add Assessments:

Click **Add Record** at the top right corner

In the resulting selector, choose any **Assessments** from the list you would like to add to the available list when creating Student Learning Plans. Click the **checkmark** to the right of the Assessment to select it. Click **Add Assessments** when finished. Assessments must be loaded and available in the system to be returned to this selector. You cannot create new assessments here.

Click **Add** to complete the process.

How to Remove Assessments:

After opening the table, identify any assessments you would like to remove and select them with the **checkmark** to the left of the list.

The screenshot shows the 'ALE - Ale Assessments' table with 28 records. The table has three main columns: 'Assessment Test', 'Assessment Family', and 'Assessment Subject'. A red arrow points to the 'Select Row Actions' button at the top right, which has a dropdown menu open showing 'Delete Assessment(s)'. Another red arrow points to the checkmark in the first column of the row 'SBA Summative Communicating Reasoning Claim High ...'.
