5 Core	COR500 5 CORE - CO		23008N	\rightarrow	Add to ALE Student Learnin	earning Plan			

If a course has been associated with the selected class using the Manage SIS Classes utility, when the subject/course record is created, all of the associated Course data will be copied into the student learning plan at that time.

Alternately, one or more classes can be added simultaneously using the **checkmarks** to the left of the classes.
