

ALE Application for Parents: Logging In

A user will access the ALE application by logging into [https://\[yourdistrictschoolname\].schooldata.net/v2/ale-sis/](https://[yourdistrictschoolname].schooldata.net/v2/ale-sis/)

Note: Each school district has a unique URL where the instructions show an address where you will insert your district name in place of the bolded type, such as “seattle.schooldata.net.”

If you see a screen that says **Authenticate With District**, click the **Use SchoolData.net Account** button in the bottom left-hand corner.

Welcome to
SchoolData.net

Authentication is controlled by your district.
Click the 'Authenticate With District' button below to continue.

District
Arlington

Contact your District IT department to reset your password.

[Use SchoolData.net Account](#) [Authenticate With District](#)

To log in, type in your **Username or Email** and **Password** and **Sign in**. The first time you log in or if you have any trouble logging in, you will need to **Reset your Password** found in the bottom left corner.

Welcome to
SchoolData.net

District
Arlington

Username or Email

Enter your username.

Password

Enter your password.

[Use District Account](#) [Reset Your Password](#) [Activate Account](#) [Unlock Your Account](#) [Sign In](#)

You will be asked for your **Username or Email** - for most parents, your username is your email address. Enter the email address you provided to the school and click Send Verification Code.

Password Reset Restart ✕

Forgot your password? It happens. Follow these 3 simple steps to reset your password. If you want to start over, click 'Restart' at the top. If you need help, contact us at support@schooldata.net and we'll guide you through the process, step-by-step.

1. Tell us who you are▼
We need to know who you are before we can reset your password.
Enter your email address or username below and click 'Send Verification Code'. We'll email you a special code to enter in the next step.
Username or Email:

Send Verification Code
2. Enter your code▼
3. Create a secure password▼

Check that email address for a message from School Data Solutions. Be sure to check your spam folder, as sometimes the auto-generated emails are routed there.

Copy and paste or enter the **Verification Code** you receive from your email into the verification screen. Once verified, **Create a Secure Password**. Passwords are not stored in the system. Contact your district's School Data Solutions Administrator if you need help with a username or password.
