

Interventions - LAP Intervention Plan Guide

GETTING THERE

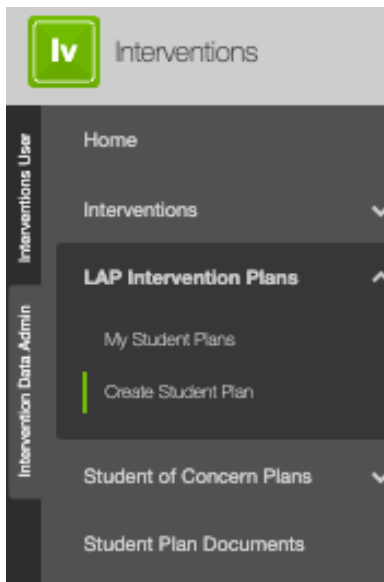

You can log directly into the Intervention Plans application with the URL
[\[yourschooldistrictname\].schooldata.net/V2/intervention-plans](#)

OR from any SchoolData.net application. Locate the application bundles in the top right corner of the screen. Click on the Student Plans (SP) icon, Intervention Plans (Iv), and **Launch**.

CREATING A LAP INTERVENTION PLAN

Select **Create Student Plan** from the left navigation menu.

Choose Reading or Math from the right-hand corner.

Create New LAP Intervention Plan

Reading
 Math

Select a **Student** by clicking the **Select** button. Next, use the **Filter Student Search** to create a list of students. Then, click the check mark next to the student's name and click **Apply**. Remember, the students you see are based on your role and permissions. Optionally, you may also select a **Date**, **School**, and **LAP Teacher**.

LAP Math Intervention Plan Grade 5

pleasant village school district

Student Name: Hedrick Smith*, Austi Other ID: 0973131 Date: 2023-03-21

School: Forest Grove Elementary School LAP Teacher: *, Dayne

Overall Math Performance

Supplemental LAP Math services are provided to students whose assessment data indicates a need for support. The table below shows your student's grade level scale score using I-Ready Diagnostic data and provides a consistent way to measure growth towards Common Core State Standards (CCSS) grade level expectations.

Grade Level Expected Scale Score	Trimester I 551-608	Trimester II 609-629	Trimester III 630-640
Student's Scale Score
