ALE Release Notes : January 10, 2020

New Features

1. Ability for Secretary/Registrar to print a single Support Staff Member schedule
2. Ability for Registrar to edit school weeks to remove from weekly contact requirements

Configurations/Updates

1. "Graduation Summary" tab (from "All ALE Students" page) now opens in new tab rather than reloading in current tab
2. Add student name to "Scanner Alert"
3. Add "Alert" column on All ALE Students Table to all roles
4. Scanner Alerts autofill student name
5. Update SLP to allow course previously dropped to be added again to Subjects/Courses tab
6. Correct "Ale" typo on Objectives list to read "ALE"
7. Enable ability to enroll in Sem 2 Class even when Sem 1 conflict exists for yearlong class

Bug Fixes

1. Restored ability to remove many multiple class meetings without error message
2. Update classes created using "Copy Classes" proc to correctly reflect Semester 2 Schedule
3. Bug fix preventing all Monthly Progress being reported by parents from saving

District Specific
1. East Valley Spokane: Surface District Approved Curriculum on Parent Role
2. Battleground: Capture Subject/Course Changes and create Report
3. Battleground: "Scanned Students" report for emergency purposes
4. Deer Park: High School Course Completion Report
