Career Planner Overview

[CP Overview doc](#)

Take self assessments to learn about the careers that fit a student's interests and personality. Discover what their career will look like, how to get the training they will need to enter the career and how much they will be paid. Find the schools and colleges that will prepare them for their chosen career.

The screenshot shows the Career Planner web application interface. At the top, there is a navigation bar with the 'Cp Career Planner' logo on the left, the 'cordial city SCHOOL DISTRICT' logo in the center, and user information on the right including 'English', 'Sarah Flickingerpeterson School Administrator', and the date 'Tue, Apr 14, 2020'. Below the navigation bar is a sidebar menu with options: 'Educator Home', 'Learn About Myself', 'Research Careers', 'Reality Check', 'Find Programs', 'Find Schools', and 'Assemble My Portfolio'. The main content area features a 'WELCOME TO YOUR CAREER PLANNER' heading and a sub-heading 'Explore your options, map your future, and track your progress. Navigate your way, through High School and Beyond.' Below this is a large image of students working on a project. A green banner at the bottom of the image reads 'STEP #1 LEARN ABOUT MYSELF' and contains the text: 'You are about to undertake a very important journey. Throughout this journey you will learn how your preferences, interests and skills match with careers. [Let's go >](#)' Below the image is the text 'PLAN. PREPARE. SUCCEED!'.

Career Planner New Features

Search boxes, favorite/survey suggestion columns

The release there will be easier access to **search boxes**. Also, as self-assessments are taken and items are favorited there are helpful **starred suggestions** provided in searches that correlate them.

The screenshot shows the Career Planner interface for Cordial City School District. The main content area is titled "RESEARCH CAREERS Career Search" and displays "Career Planner Careers (584 records)". A search filter box labeled "Career" is highlighted with a red box. Below the search filters is a table of career suggestions. The table has columns for Career, Cluster, Interest Areas, Pathway, Personality Type, Preferen, Interests, Program, and School. The "Preferen" and "Interests" columns contain star icons, indicating favorited items. The "Program" and "School" columns also contain star icons, indicating suggested items. A red box highlights the "Preferen", "Interests", "Program", and "School" columns.

Surveys

All districts will start out with a **Financial Aid Reflection** survey for 12th graders. Additional surveys can be added upon request.

The screenshot shows the 'Learn About Myself' section of the Career Planner. The left sidebar contains a navigation menu with the following items: Educator Home, Learn About Myself (expanded), Introduction, Overview, Surveys (highlighted), Review My Traits, Research Careers, Reality Check, Find Programs, Find Schools, and Assemble My Portfolio. The main content area is titled 'LEARN ABOUT MYSELF Surveys' and contains the text: 'These surveys and links guide you through activities designed by your school district to help y'. Below this, there are three sections: '8th Grade', '9th Grade', and '12th Grade'. The '9th Grade' section lists 'Field Trip Reflection Gr 9' and 'Preferences and Interests Reflection', both with warning icons. The '12th Grade' section lists 'Financial Aid Reflection' and 'Senior Proposal', both with warning icons.

Step #1: Create and turn in your resume

Gather all of the information needed. This may take time if you have to get contact information from previous employers or volunteer supervisors. Look at the resume template and sample resume below for examples of what you'll need.

[Resume Template](#)

[Resume Example](#)

Fill in all the information in the template provided or the template of your choice. Once you are done, **show your resume to your teacher** so that they can put it in the gradebook or give you tips on how to make it better.

If a district is interested in adding a survey, email support@schooldata.net with the PDF or Word document listing questions and question format to be created.

Districts will start out with a few resume templates. If an additional template is desired, one can be added and will work with the Career Planner **Resume Builder**.

Four Year Plan Overview

[FYP Building a Plan doc](#)

Students investigate classes and assemble a four year plan to fulfill graduation requirements. Credit Waiver and Substitutions are tracked here to coordinate with graduation requirements. Financial Aid information is also provided to them, along with a survey to help guide investigation of options.

The screenshot shows the 'Four Year Plans' web application interface. At the top, there is a navigation bar with the '4y' logo, the title 'Four Year Plans', the 'cordial city SCHOOL DISTRICT' logo, and a user profile for 'Impersonating Sarah Flickingerpeterson, School Administrator' with the date 'Tue, Apr 14, 2020'. A left sidebar contains a menu with items: 'Educator Home', 'All Courses', 'Four Year Plans' (selected), 'College Bound', 'Financial Information', and 'Important Information'. The main content area features a large banner with the text 'CREATE YOUR FOUR YEAR PLAN' and a sub-header '4y Four Year Plans'. Below the banner, there is a section titled 'Schedule Your Classes' with the text: 'To begin, identify a career cluster and specific job of interest. Based on your career and education research, choose an appropriate course plan to start with. Required courses will be inserted to your...'. A small inset image shows a tablet displaying a 'Testify Testation' form with fields for 'Name', 'Email', 'Phone Number', 'Career Cluster', and 'Career Preference'.

Four Year Plan New Features

Financial Aid Information Survey & acknowledgement

Students are provided a guided way to investigate and show knowledge through a survey.

If they feel they are informed of their opportunities, they **check the box** to note they understand.

To avoid premature checking of the box, a confirmation notification is provided.

The screenshot shows the 'Financial Information' page on the '4y Four Year Plans' website. The page header includes the '4y' logo, 'cordial city SCHOOL DISTRICT', and user information for 'Colton Adams' (Student) on 'Tue, Apr 14, 2020'. A 'Launch Survey' button is highlighted with a red box. The main content area is titled 'Financial Information' and features a heading: 'Don't Let the cost of college stand in the way of your career goals.' Below this, there is introductory text and a section titled 'The FAFSA' with a list of direct links to FAFSA resources. A 'Confirm Acknowledgement' dialog box is overlaid on the page, containing the text: 'Do you really want to confirm that you understand the Financial Aid opportunities available to you? Acceptance of this financial information is final.' and a 'Yes, I understand the Financial Aid opportunities available to me' button. At the bottom of the page, a checkbox is checked with the text 'I understand the Financial Aid opportunities available to me.'

Four Year Plan New Features

Important Information

The Important Information page is now surfaced to Educators, which can be customized to provide information for students.

The screenshot shows a web interface for 'Four Year Plans'. At the top left, there is a '4y' logo and the text 'Four Year Plans'. Below this is a navigation bar with a back arrow and the text 'BACK TO HIGH SCHOOL AND BEYOND'. A dark sidebar on the left contains several menu items: 'Educator Home', 'All Courses', 'Four Year Plans' (with a dropdown arrow), 'Data Admin' (with an up arrow), 'College Bound', 'Financial Information', and 'Important Information' (which is highlighted with a red rectangular box). The main content area is titled 'Important Information' and contains the text 'Content on this page is customized by your school district.' Below this text are two light blue boxes, each containing the text 'BHS: Class of 2020' and 'PHS: Class of 2020' respectively.

Individual Course updates

Changes can be made on an individual course basis, if only have a handful of items need to be changed.

The screenshot shows the 'Four Year Plan Courses' interface. On the left is a navigation sidebar with 'Data Admin' selected. The main area displays a table of courses with columns: State Course, Requirement, Course Code, Course Description, School, Included Grade L, Excluded Grade L, Grade Levels from, and Average. A red arrow points to the 'Data Admin' menu item. Another red arrow points to the gear icon in the 'Row Actions & Options' menu for the second row of the table.

Individual Course updates

Here the educator is able to adjust the course by adding:

- Narrative
- Prerequisites
- Corequisites
- Min/Max hours of Homework
- Grade Levels
- Career Path(s)
- And much more....

The screenshot shows the 'Edit Course' interface for a 'Four Year Plan Course'. The form includes the following fields:

- Course Code (required):** BUS206
- Available Credits (required):** 0.5
- Course Description (optional):** WEB DESIGN 101 - Web Page Design
- School (optional):** High School
- Career Path (optional):** Arts, Audio/Visual Technology, and C...
- Fee (optional):** (empty field)
- Course Narrative (optional):** Web Page Design courses teach students how to design websites by introducing them to and refining their knowledge of site planning, page layout, graphic design, and the use of markup languages-such as Extensible Hypertext Markup, JavaScript, Dynamic HTML, Document Object Model, and Cascading Style Sheets-to develop and maintain a web page. These courses may also cover security and privacy issues, copyright infringement, trademarks, and other legal issues relating to the use of the Internet. Advanced topics may include the use of forms and scripts for database access, transfer methods, and networking fundamentals.
- Prerequisites (optional):** (empty field)

The interface also features an 'Update' button in the top right corner.

Mass Course updates

Often it is best when first connecting with a district and reviewing the courses that School Data Solutions pulls a list and provides to the district for a mass review of their SIS (Student Information System) courses.

When the district has made all necessary changes, they can send the file back to SDS to upload with changes.

Template Updates/Additions

Every district is given Default Templates upon set up. These are just fine for Districts to use. However, the benefit of building your own templates is that it gives you the ability to customize them specifically to your school and students.

Graduation Monitor Overview

In one place, see if students are on track to graduate or if you are at risk because of a missed credit, low test score, or incomplete high school and beyond plan.

The screenshot shows the Graduation Monitor web application. At the top left is the 'Gm Graduation Monitor' header. Below it is a navigation menu with options: 'Educator Home', 'Venn Diagram Launcher', 'All Students', and 'Graduation Requirements'. The main content area features a large banner with a photo of a graduate and the text 'STAY ON TRACK WITH GRADUATION MONITOR'. Below the banner is a call to action: 'Monitor your progress as you journey through high school graduation requirements. Recognize quickly when you veer off course to quickly resolve issues.' At the bottom, there is a section titled 'Stars, Bars and Venns...oh my!' with a description: 'Graduation Monitor pulls data from your district's student information system, state test scores, career planner, four year plans and more. It paints the complete picture of the graduation requirements you have completed, those you plan to complete'. To the right of this text is a small image of a tablet displaying a data table with columns for 'Grade' and 'Credits'.

Categories of items to put on the task page

- **Tasks** (Internal Tasks) - configured items in the High School & Beyond applications
- **Links** - URLs linked to a document or external website that will display for Student to click
- **Surveys** - custom Surveys that have been created with the help of School Data Solutions in Career Planner
- **Self Assessments** - the embedded Self Assessments from the Career Planner application: Interests, Preferences, Skills

The screenshot displays the 'Manage Internal Tasks 2020' interface. At the top, there are tabs for 'Internal Tasks', 'Links', 'Surveys', and 'Self Assessments'. Below the tabs, a table titled 'High School and Beyond Internal Tasks (5 records)' is shown, with columns for 'Graduation Year', 'Grade Level', and 'Internal Task'. The table contains the following data:

Graduation Year	Grade Level	Internal Task
2020		
2020	10th Grade	Postsecondary plan
2020	11th Grade	
2020	12th Grade	

An 'Add Internal Task' modal form is overlaid on the bottom right of the table. The modal has a title 'Add Internal Task' and a 'Validate' button. It contains three required fields: 'Graduation Year (required)', 'Grade Level (required)', and 'Internal Task (required)'. Each field has a 'Select' button next to it. A red arrow points from the 'Add Internal Task' button in the table to the modal form.

High School and Beyond Plan

Name: Grade: School: Graduation Year: 2022

The High School & Beyond Plan has been a graduation requirement since 2009. Specific elements and requirements began in 2017-18, with additions from SHB 2686 for the 2018-2019 school year for all students in middle and high school. The High School & Beyond Plan (HSBP) is developed around three questions: **Who am I?, What can I become?, How do I become that?** This graduation requirement helps all students get the most out of high school and think about their future. **Starting in 7th or 8th grade** you will complete a Career Interest Inventory and continue developing and revising this plan through the 12th grade. You will work with your school counselor, advisor and/or teachers to create your own individual plan, called a "personalized pathway", and will revise your plan annually to adjust for changing interests or postsecondary plans (what you plan to do the year following graduation from high school). Your post high school goals may include four-year colleges or universities, two-year community or technical colleges, apprenticeship programs, industry standard certificate programs, military training, on-the-job training, transition program from an IEP or other options you may choose.

Required elements of your High School & Beyond Plan

1. Identification of your career goals using a career interest inventory.
2. Identification of your educational goals.
3. A four-year course plan with an individualized personalized pathway that fulfills graduation requirements and aligns with your career and educational goals, with information about dual credit programs and the College Bound Scholarship.
4. By the end of 12th grade, a current résumé or activity log.
5. If you have not met standard on your state assessment, this plan must include interventions and academic supports, additional courses, or both that will enable you to meet the high school graduation requirements.

The High School & Beyond Plan is used to guide your high school experience and prepare you for postsecondary/college education or training and career. This plan is updated each year to reflect your assessment results, review of your high school transcript, and assess progress toward identified goals. Your plan can be revised as necessary for changing interests, goals, and needs.
