

LOGINS and LINKS Connect

1. Start in the **Logins and Links** container on any dashboard.
2. Click **Add Record**.

3. Choose to create a login or link by clicking the radio button.
 - In the **Create Login** section, click the **Login Option** field and choose the **check mark** to the left for the login application. Fill in the **Label**, **Username**, **Password**, and **Confirm Password** fields and click **Save**.
 - In the **Create Link** section, add any desired **URL** and a unique **Label**, and click **Save**.
4. Your login will now appear in your dashboard's Logins and Links container.
5. To edit or delete a login/link, it can be found in **My Creations**, located in the left navigation menu, by choosing **either My Links or My Logins**.
6. Click the **Row Action Gear** to the far right and choose **Edit** or **Delete**.
7. **NOTE:** The icon that prefaces the label. This icon will help you distinguish between a login and a link.
