

Can you?

1. Find a student with a high number of prior year absences and learn the following:
 - i. What school they attended last year
 - ii. Their attendance for last year
 - iii. Their most recent assessment scores
 - iv. If they are they enrolled in any special programs (SpEd, ELL, etc)
2. Determine the students who did not meet standard on one grade level i-Ready prior Spring assessment.
3. Download the i-Ready Math Scores for your school?
