EVAL-509

Clicking the pencil icon on Additional Data allows the user to either edit just the individual item or edit all items.

EVAL-502

Employees that are inactive in the student information database are no longer listed in the “Add Team Member” list in the PLC’s My Community.

Bug Fixes

EVAL-503

Monitor & Evaluatees can now access from the Task dropdown the "All Tasks" page.

EVAL-495

Switching an Evaluatee's school year view can now be done from the Tasklist.

Tasks

EVAL-504 / EVAL-506

The Task Related Goals section on the Goals page displays the distinct Evaluator/Evaluatee note boxes.

EVAL-499

Import Task Info process has been updated to import the distinct Evaluator/Evaluatee note boxes.

EVAL-444

Data Admins now have an "Evaluations Usage" tool in the Data Admin section.

Sub-tasks

Eval-507

Text formatting used in notes, like bullets or hyperlinks, are now displayed on the Task Related Goals view
