CI CLASSROOM
Release Notes - 2022.2.11

Introduction

The following document will highlight the various improvements we have made to our application Classroom, located in our application bundle “Classroom”.

<https://schooldata.net/suite/applications/classroom/>

Overview

Changes include:

- 2 [Featured Highlights](#)
- 3 [New Features](#)
- 6 [Improvements](#)
- 5 [Bug Fixes](#)

Featured Highlights

Added option to preview Print and Print Key of Assignment Templates when creating My Assignment Templates.

The screenshot shows the Classroom software interface. The top navigation bar includes the Classroom logo, the user's name (Meghan Perez-Navarro), and the District Administrator role. The left sidebar shows the navigation menu with 'Assignment Templates' selected. The main content area displays 'My Assignment Templates (42 records) Filtered'. Below this is a table with the following columns: Name, Type, Subject, and Grade Level. The table contains 10 rows of data, all of which are 'Summative Assessment' in 'Reading' for various grade levels (3, 4, and 5). A 'Row Actions & Options' menu is open for the first row, showing options: Info, Edit, Taker, Clone, Delete, Print, and Print Key. The 'Print' and 'Print Key' options are highlighted with a red box.

Name	Type	Subject	Grade Level
Grade 3 ELA Fall Assessment	Summative Assessment	Reading	Grade 3
Grade 3 ELA Spring Assessment	Summative Assessment	Reading	Grade 3
Grade 3 ELA Winter Assessment	Summative Assessment	Reading	Grade 3
Grade 4 ELA Fall Assessment	Summative Assessment	Reading	Grade 4
Grade 4 ELA Spring Assessment	Summative Assessment	Reading	Grade 4
Grade 4 ELA Winter Assessment	Summative Assessment	Reading	Grade 4
Grade 5 ELA Fall Assessment	Summative Assessment	Reading	Grade 5
Grade 5 ELA Spring Assessment	Summative Assessment	Reading	Grade 5
Grade 5 ELA Winter Assessment	Summative Assessment	Reading	Grade 5

Student reports can be printed for any Assignment in a Gradebook from the Assignment's Scoring page. The download file produces a combined file of pdf reports for the entire class and individual student files for sharing with students and parents. Reports include student answer selection, correct answer, and points earned on each question.

5. **Read passage, *Clutter in Space*, before answering any questions.**
You may stop and jot (annotate) your thinking on the paper as you are reading.

Which nonfiction text structure is shown in this sentence: “To prevent this, NASA has begun experimenting with a laser to nudge pieces of space junk out of the way”?

Points: 0.00/1.00
