

Progress Toward Graduation (*Standard Layout) V2

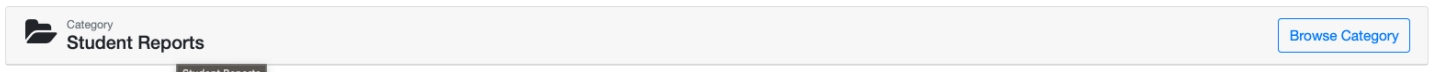

This report helps staff evaluate progress toward graduation.

ACCESSING REPORTS

Reports can be accessed by navigating to the Reports App within the Data Extracts Bundle, clicking Launch App, and then selecting Create New Report from the left navigation menu.

Next, browse to the Student Reports Folder and click Browse Category.

Locate the Progress Towards Graduation Report and click Build Report.

Select optional Student(s), Student Group, and whether to Exclude Withdrawn Students. When done, click Save and Generate. In addition, you may select Generate Report (PDF Download) or Save Configuration (save and name to My Reports) from the drop-down menu.

Progress Towards Graduation

View Description Save And Generate

- Generate Report
- Save Configuration

This report is configured to allow you to select one or more students and/or groups and have a report created for each student. You will receive an email and in-app notification with a link to download a file containing the report PDF(s) along with any peripheral files.
