Scholarships/College Bound

Here, you will learn how to review scholarships.

1. Start under **Scholarships** in the left navigation menu.
2. Select the **College Bound** tab at the top of the page and review the College Bound Scholarship information. The College Bound Scholarship program is an early commitment of state financial aid to eligible students who enroll in middle school and fulfill the scholarship's requirements. In Partnership with the Washington Student Achievement Council, we provide access to the tools and resources your students need to become college-bound.
3. Select the **Other Scholarships** tab to review the district-specific scholarship information.

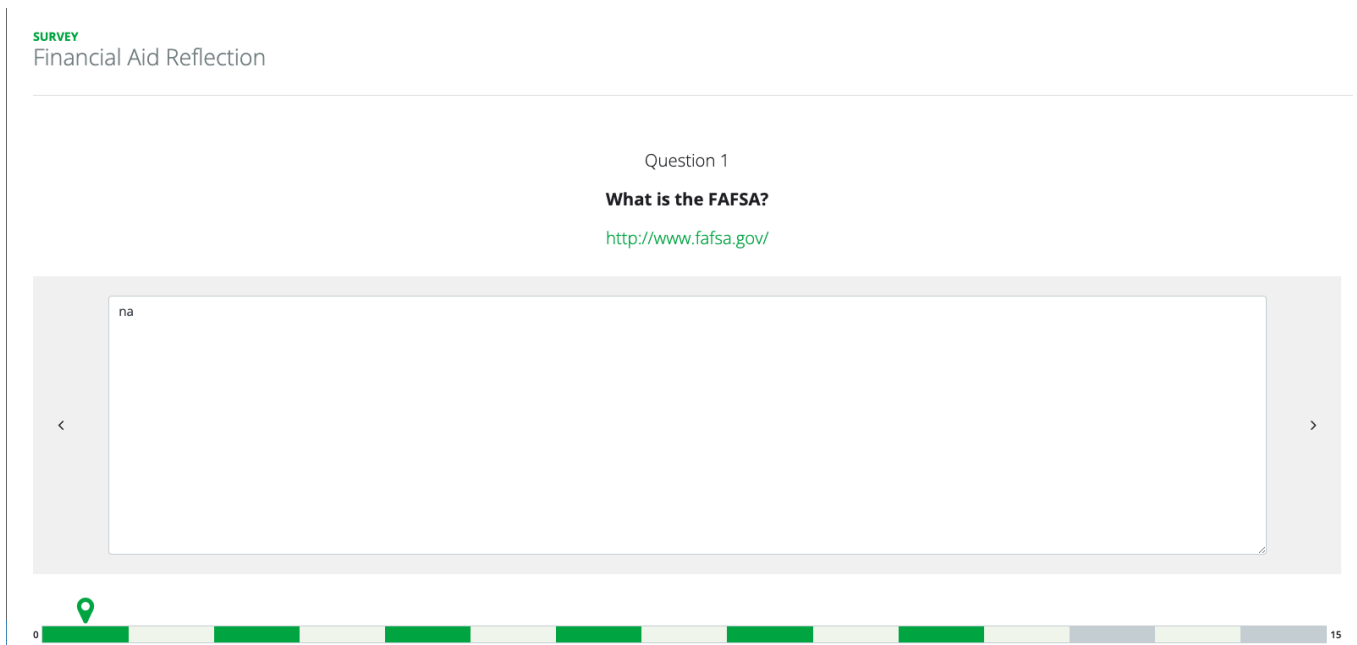

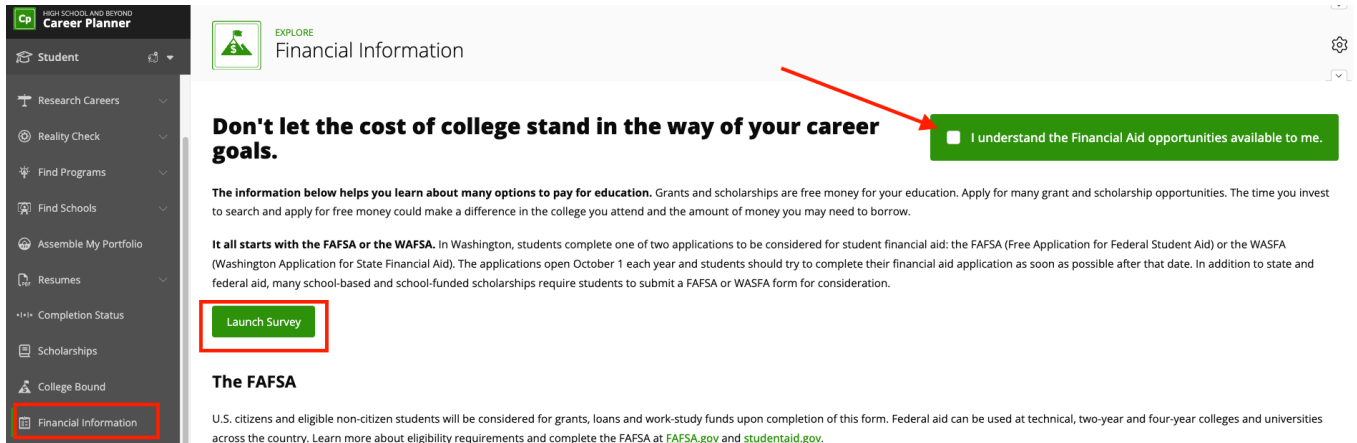

Financial Information

Here, you will learn how to review Financial Information.

1. Start under **Financial Information** in the left navigation menu.
2. Review the Financial Information. The information found here will help students learn about various educational financing options. It starts with the Free Application for Federal Student Aid (FAFSA) or the Washington Application for State Financial Aid (WAFSA).
3. In the student role, click on the banner. **I understand the Financial Aid opportunities available to me.** This will be reflected in the Assemble Portfolio.

- Also included in the student role is a **Financial Aid Reflection Survey**, which can be accessed by clicking "**Launch Survey**." A popover window will appear. Complete all required fields and click Save. (If the button says Validate, you may be missing a required field.) When completed, this will be reflected in the student's Assemble Portfolio.
- Click **Launch Survey**.
