

ALE Application: Tips for Teachers V2

The teacher summary page is designed to be one place where you can quickly find any issues you need to take action on as a teacher.

- To navigate there, click **Teacher Home**, then select **Summary**.

- There are tabs across the top that will surface the following data:

- WSLPS:** Any Student Learning Plan(s) on your caseload that are not approved.

Student Full Name	School Year	Grade Level	Certificated Teacher	Is Approved	Approval Date	Is Concluded	Count of Parent P
brendan	2021/22			No		No	0
, Brendan	2021/22	9th Grade	D. McCollum			No	0

- Pending Courses:** Any student learning plans that include courses in a pending/unapproved state.

Student Full Name	Level	Certificated Teacher	Is Approved	Approval Date	Is Concluded	Count of Parent P	Count of Pending
ava			Yes		No	0	> 0
, Ava		D. McCollum		November 8, 2021	No	0	4

- Completed Courses:** Any courses where the course end date has passed.
 - Select one or more courses to edit using the **Row Actions** button.

We recommend carefully reviewing potential courses before changing multiple courses simultaneously, as there is no 'undo.' You would have to fix them manually.

2. You can edit the following fields:

- **Grade level** in Course Grade level Column
- **ALE Course Type**
- **Course Certificated Teacher**
- **Course Start Date**
- **Course End Date**
- **Average Hours Per Week**
- **Participation Status**
