

ALE Assessment Settings (Connect)

In the ALE Application, the **Data Administrator Role** can configure the list of available assessments for creating Student Learning Plans.

1. Start by going to **Configure Settings** in the left navigation menu, then choose **ALE Assessments**.

2. Click the **Add Assessment(s)** button in the top right. You cannot create new assessments here.
 - a. Click the **checkbox** to the left for one or more Assessment Tests, and click **Accept**.
3. To remove ALE Assessments, click one or more **checkboxes** on the far left, or select the checkbox at the top-left of the table to select all.
4. Click the **Selected Gear** at the top left of the table and choose **Delete Assessment(s)**.
 - a. A confirmation window will appear. Select **Yes** or **No**.

Only assessments not currently associated with any Student Learning Plans can be removed from the list. You will receive an error message if you try to remove an associated assessment.
