MANAGE CLASS UPDATES

- Class Terms field change
 - Single selector field only
 - Why the change?
 - All Year Class Enrollment vs Term Class Enrollment
- New Fields
 - Reporting Class Terms - New (v2 & Connect)
 - Learning Credit Amount (Connect Only)
- Field Name Changes (Connect Only)
 - “Learning Credit Cost” changed to “Class Cost”
 - “Learning Credit Cost per Meeting” changed to “Class Cost per Meeting”

Manage Learning Credit Changes

- Secretary role: “Manage Learning Credits” (v2) changed to “Manage Ledger Transactions” (Connect)
- Why the changes?
 - Splits Class Costs from Weighting Classes
- Program Manager: “Learning Credit Allocations” (v2) moved to Data Administrator: “Ledger Allocations”

Class Request Feature - Connect only

- What is it?
 - New way for parents to enroll/register student in classes
 - Allows users to select and prioritize requests
- How does it work?
- Who can use it?
 - Enrollment Method 2 Programs
