

ALE View and Manage Student Learning Plans (Connect)

Multiple Roles: Certificated Teacher, Program Manager, Registrar, Staff

Here, you will learn to manage the Student Learning Plans assigned to you.

- Any edits made are not additive; they replace/overwrite the current data for all selected SLPS.
- Edits made via this feature will not require re-approval of learning plans.

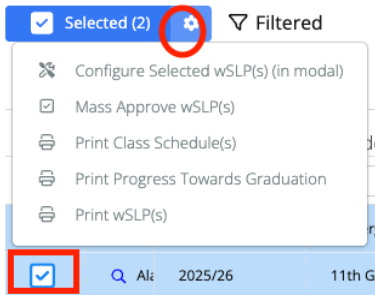

1. Start under **Student Learning Plans** in the left navigation menu and choose **All Student Learning Plans**.

2. By default, the table displays plans for the current year that have no end date before today.
3. Use the search text box in the header of each column to **filter** and sort as you need and to surface SLPs for students who have exited the program.
4. Click **Edit Page Data Settings** in the header, next to the title, to switch to a different school year.
5. Click on the **magnifying glass** next to a student's name to open their student learning plan.
6. Click the **Row Action Gear** to do the following:
 - a. Delete
 - b. Manage Student Learning Plan
 - c. Print Class Schedule
 - d. Print Progress Toward Graduation
 - e. Print wSLP
 - f. Print wSLP Audit
 - g. Print wSLP with Course Details
 - h. Student Spotlight

7. To manage multiple selections at once, select the **checkbox** next to one or more students.

8. Click the **Selected Gear** and choose one of the following:
- Configure Selected Student Learning Plans** (Certificated Role, Registrar, Staff only)
 - Edit wSLP(s)** (Program Manager Role, Registrar Only)
 - Mass Approve wSLP(s)** (Certificated Role only)
 - Conclude wSLP(s)** (Registrar only)
 - Print wSLP Audit** (Program Manager Role, Registrar Only)
 - Print Progress Towards Graduation** (Certificated Role, Registrar, Staff only)
 - Print Class Schedule(s)**
 - Print wSLP(s)**
