

ALE Parents: Taking the Class Interest Survey V2

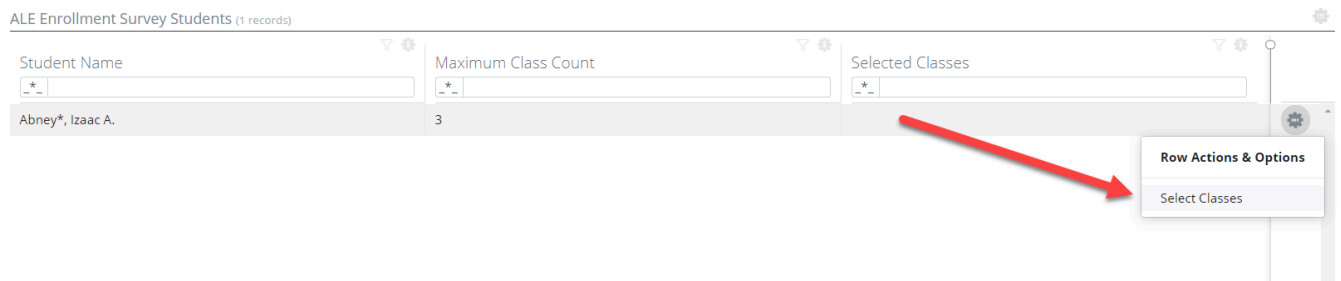

In the ALE Application, parents can complete a survey indicating their interest in class offerings for the upcoming term or school year. If this is utilized in your program, you will be notified when the link is available in the left navigation after logging in.

1. Click on the **ALE Class Survey** link in the left navigation bar. Here, you will see a list of all the students you are associated with and how many “votes” they have each been allocated in the **Maximum Class Count** column.

Student Name	Maximum Class Count	Selected Classes
Abney*, Izaac A.	3	

2. Using the **Row Action & Options** gear next to one student, choose **Select Classes**.

3. A form will open to choose the classes you'd like to vote for. Click **Select**.

4. You will see a list of all available classes to vote for. You can use the **quick filter boxes at the top of each column to search and narrow** results. You can also access more powerful filters by clicking on the **funnel icon** or **gear icon** at the top of each column.

- Clicking the **blue hyperlink** in the **Description** column will open a pop-up window with the full description for the class. Click the **"X"** to close it.

Ceramics 1 description ✕

CERAMICS 1 provides students with the opportunity to develop a basic knowledge of ceramics, hand-building, and an introduction to wheelwork. The course encompasses all ceramics-related skills. Activities will be individualized according to the ability level of each student.

- Click the **checkmark** next to the class you would like to choose. This will then be reflected as a number in **Your Selected ALE Classes** at the bottom of the page. At any time, review your selections by clicking the **View Selected** button. After selecting all your classes, click **Add ALE Classes** to save your selections.

Your Selected ALE Classes [QView Selected](#)

- If you attempt to exceed the number of "votes" given to you for this student, you will receive a message reminding you how many classes you may choose.

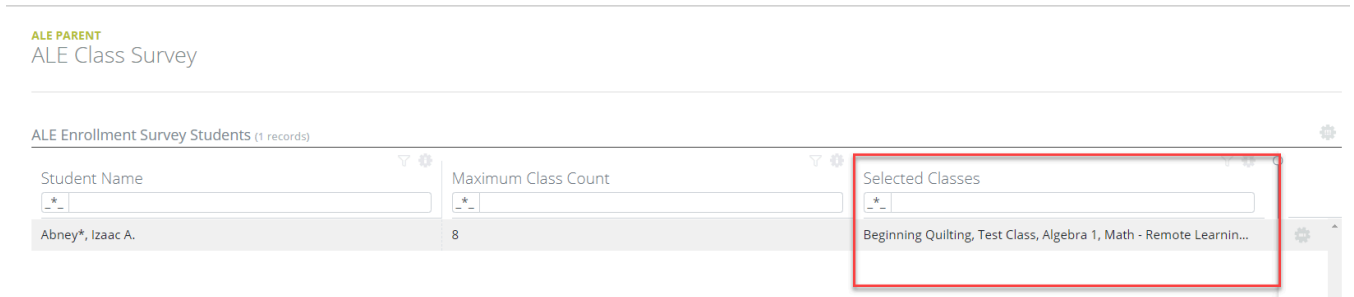

The screenshot shows the 'ALE Parent Enrollment Survey For ALE Classes' interface. A modal window displays a list of selected classes: 'Beginning Quilting', 'Test Class', 'Testing AgainClass', 'Test Class (Cloned Sep 14 2020 4:52PM)', 'Algebra 1 (Cloned Nov 17 2020 5:01PM)', 'Testing for Duplication 20-21', 'Math - Remote Learning', 'Deidra's Test Course - Fairytale Literature', and 'Testing for Duplication 20-21'. A message at the top of the modal states: 'You may select up to 8 classes'. In the background, a red error message box reads: 'You have selected too many classes. You may only select 8 classes for this Student Learning Plan. There was a problem updating those classes.'

8. To remove a selection, click the “x” next to the name. To save your selections, click **Save**.

9. The classes will be displayed in a list in the table on the Ale Class Survey Page. You may make changes to your selections anytime the survey is available.

10. Searching for a particular subject? The subject area abbreviations are as follows:

AGR	Agriculture, Food and Natural Resources
ARCH	Architecture and Construction
BUS	Business and Marketing
CIS	Computer and Information Sciences
