

Homeroom Dashboards Assessment Tests (Connect)

Start under **Assessment Tests** in the left navigation menu and choose one of the following options:

All Assessment Tests:

This will enable you to search for assessments by name, type, category, and school-year score counts.

1. Click on any column **filter** field or use the other filter tools to search or narrow the list.
2. Click the **magnifying glass** in the following columns to view specific assessment information. The magnifying glass will only appear in corresponding columns for assessments with this data type. For example, if no progress monitoring data is associated with the assessment, you will not see the magnifying glass in that column.
 - **Name:** This will launch the **View Assessment** in the **Scores tab**.
 - **View as KPI:** This will launch the **View District-Wide Historical Assessment Test Data**. Tabs across the top provide additional chart views (District-Wide, by Schools, Federal Races, Genders, 504, Bilingual, Free/Reduced, Gifted, LAP, Special Education, Title, and Homeless).
 - **Progress Monitoring:** This will launch the **View Assessment in the Progress Monitoring tab**.
 - **Item Analysis:** This will launch the **View Assessment** in the **Item Analysis tab**.
 - **Strands:** This will launch the **View Assessment** in the **Subtests tab**.
 - **Subgroup:** This will launch the **View Assessment** in the **Subgroup Comparison tab**. Use the Subgroup Comparisons dropdown menu to make comparisons by race, gender, service type, school, and teacher.
3. Click the **Row Actions Gear** and select **View Assessment**. As mentioned above, there are several tab choices for this option.
4. Click the **Row Actions Gear** and select **View Dashboard**, which will take you to the View Assessment Test Dashboard.
5. Click the **Download Data Table button** at the top right of the data table to download the table.
6. Click the **Show Column Panel** to hide, show, or arrange the various columns.
