

Viewing Nonresident Data

Here, you will learn to view operating and resident district data.

1. In the **My Apps drawer** to the left or at the bottom of the **Munetrix Homepage**, click the **Student Migration Map icon**.

2. You will see various subpages (tabs) across the top of the page.
3. Click the **Nonresident Data tab**. This tab serves as the primary data source for the other tabs.

Operating District	Resident District	School Year	Student Status	Grade	FTE's
Avondale School District	McBain Rural Agricultural Schools	2022	All other non-resident students	09	-1.00
Avondale School District	McBain Rural Agricultural Schools	2024	All other non-resident students	10	-1.00

- a. Use the filters to narrow your results by **Year, Operating District, Resident District, Student Status, and Grade**.
- b. The **"Operating District"** column indicates where students are transferring.
- c. The **"Resident District"** column indicates where students reside.
- d. In the **"FTE's"** column, a positive number reflects a gain (Operating > Resident), while a negative number reflects a loss (Resident > Operating).
- e. Click the **"Export"** button in the top-left corner to download an Excel workbook.
