

## View All CTE Courses

Here, you will learn how to view all Career and Technical Education (CTE) Courses, including a data table with specific details, CIP Code and name, course, course code, course subject area, state course code, and the Industry Certificate (IC) list.

### Role: Educator

1. Start under **All CTE Courses** in the left navigation.

Program of Study	Course Name	CIP Code	CIP Name	Course	Course Code	Course Subject Area	Course Subject Area...	State Course Code
Agriculture	AG Worksite Learning	018888	Agriculture Cooperative ...	APEX ALG 1-III - APXALG (...)	APXALG, WSL100, WSL102	Mathematics, Agriculture, ...	02, 18, 22	02052, 18348, 22998
Agriculture	Animal Science I	010901	Animal Sciences, General	ANIMAL SCI I - VAG250 (...)	VAG250	Agriculture, Food, and Nat...	18	18101
Agriculture	Animal Science II	010901	Animal Sciences, General	ANIMAL SCI II - VAG251 (...)	VAG251	Agriculture, Food, and Nat...	18	18101

2. You will see a data table showing CIP Code and name, course, course code, course subject area, state course code, and the Industry Recognized Certificate List.
3. Click the **magnifying glass** in the **Program of Study** column. You will be taken to the **Configure Programs of Study** page in the **Courses** tab (**Current Instructional Program Courses**).
  - a. You will see several subpages (tabs) across the top of the page.

Courses	Demographics ^	Students v	Industry Credentials
---------	----------------	------------	----------------------

- i. **Courses Tab:** View courses and their student enrollments. Click the **magnifying glass** next to the course to view the **Configure Program Courses** page.
- ii. **Demographics Tab:** Here, you can choose an option from the dropdown menu to view various comparison and distribution charts. Use the Data Settings and AI Insight drawers to the left to filter and learn more.
  1. **Students Enrolled in Classes:**
  2. **Students with Earned Credit**
  3. **Concentrator Charts**
- iii. **Students Tab:** Here, you can choose an option from the dropdown menu to view various student enrollment charts.
  1. **Students Enrolled in Classes**
  2. **Students with Earned Credit**
  3. **Concentrators**
- iv. **Industry Credentials Tab:** Here, you can view industry credentials and codes, whether they are active, which program they are aligned with, and whether that alignment is active.

- 
4. Click the **magnifying glass** in the **Course Name** column. You will be taken to the **Configure Program Courses** page in the **Industry Recognized Credentials** tab. This table includes industry-recognized certificates, their codes, and whether they are active.
    - a. You will see several subpages (tabs) across the top of the page.
