

ALE Assessment Settings (Connect)

In the ALE Application, the **Data Administrator Role** can configure the list of assessments available for inclusion in written Student Learning Plans. The available assessments are based on assessment data imported from your district's Student Information System (SIS).

1. Start by going to **Configure Settings** in the left navigation menu, then choose **ALE Assessments**.

2. Click the **Add Assessment(s) button** in the top right.
 - a. Click the **checkbox** to the left for one or more Assessment Tests, and click **Accept**.
3. To remove ALE Assessments, click one or more **checkboxes** on the far left, or select the checkbox at the top-left of the table to select all.

Only assessments not currently associated with any Student Learning Plans can be removed from the list. You will receive an error message if you try to remove an associated assessment.

4. Click the **Selected Gear** at the top left of the table and choose **Delete Assessment(s)**.
 - a. A confirmation window will appear. Select **Yes** or **No**.
