

Create and View Manifestation Determinations (Connect)

Here, you will learn to create a manifestation determination.

1. Start under **Manifestation Determination** and choose **Create Manifestation Determination**.

2. Start by clicking the **magnifying glass** in the **Student** field, then click the **checkbox** next to the student's name.
3. Select the **504 Coordinator** field similarly.
4. Fill in a **Brief description of the student's disability based on evaluation data**.
5. Fill in a **Description of the incident that resulted in disciplinary action**.
6. Fill in a **Description of relevant information and data considered**.
7. In the **Part One section**, click the **checkbox** if the conduct is a manifestation of the student's disability. The team will need to review the student's placement and determine whether any behavioral supports, such as a BIP, are appropriate to implement.

8. In the **Part Two section**, if the answer to one or both of the questions in Part One is Yes (or checked), the behavior manifests the student's disability.
 - a. Click a **checkbox** in the **Check One** field. The behavioral violation **WAS** or **WAS NOT** a manifestation of the student's ability.
 - b. Fill in the **Next Steps** field.

Part Two

If the answer to one or both of the above questions is "Yes," the behavior is a manifestation of the student's disability.

Check One (required)

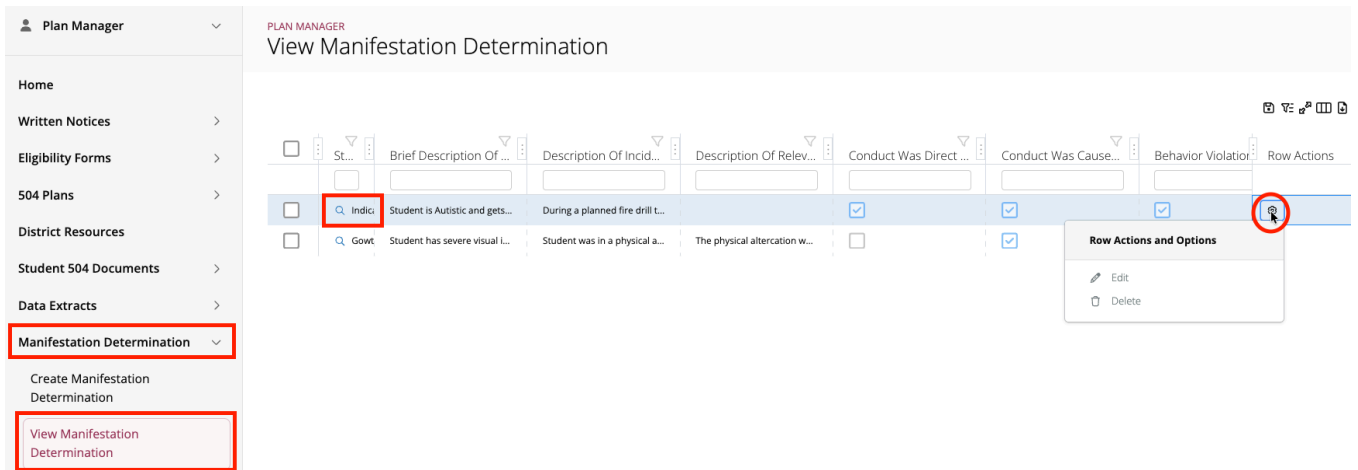

- The behavioral violation WAS a manifestation of the student's disability
- The behavioral violation in question WAS NOT a manifestation of the student's disability

Next Steps (optional)

 9. Click **Save**.

View Manifestation Determination

1. Start under **Manifestation Determination** in the left navigation menu and choose **View Manifestation Determination**.
2. You will see a data table of the created manifestation determinations.
3. Click the **magnifying glass** next to the student's name to view and edit the document.
4. Click the **Row Actions Gear** to the far left to **Edit** and **Delete**.
