

## Adding Evaluations V2 to Logins & Links

The Evaluations V2 link must be added individually to the Logins & Links widget by each user.

Helpful Resources: [Logins & Links V2](#)

1. Start by navigating to 'My Creations' in the left navigation menu and then select 'My Logins/Links'.

2. Select the **Login Tab**.
3. Choose **Evaluations V2** from the dropdown menu of approved **Logins**.
4. Click **Save**. (There is no need to fill in a username or password since we program both applications, and they use the same for each.)
5. Once added, it will have a lock icon next to it, indicating that it is a Login type. Click the "**Evaluations**" login that now exists to log you directly into Evaluations V2.
