

ALE Parents: Taking the Class Interest Survey (Connect)

In the ALE Application, parents can complete a survey indicating their interest in class offerings for the upcoming term or school year. If this is utilized in your program, you will see the link in the left navigation after logging in.

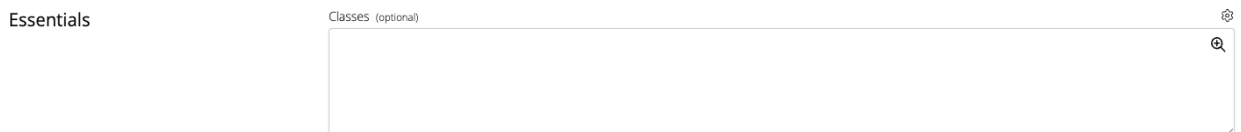

1. Click **Class Interest Survey** in the left navigation bar.
2. Here, you will see a list of all the students you are associated with and how many “votes” they have each been allocated in the **Maximum Class Count** column.

3. Click the **Row Action Gear** to the far right and choose **Select Classes**.

- a. Click the **magnifying glass** in the **Classes** field, click one or more **checkboxes** for the classes, and click **Accept**.

- i. Use the filters at the top of the columns to search and narrow your results.
- ii. Click in the **Description column** to view a full description.

Ceramics 1 description

CERAMICS 1 provides students with the opportunity to develop a basic knowledge of ceramics, hand-building, and an introduction to wheelwork. The course encompasses all ceramics-related skills. Activities will be individualized according to the ability level of each student.

- b. Click **Save**.
 - i. If you attempt to exceed the number of “votes” given to you for this student, you will receive a message reminding you of how many classes you may choose. To remove a selection, click the “x” to the right of the name.

4. The classes will be displayed as a list in the **Selected Classes column** of the table. You may make changes to your selections at any time the survey is available.
