

Schedule Attendance Conference (Connect)

Here you will learn to schedule an Attendance Conference or Schedule and record a Conference with the IEP/504 Team.

Schedule Attendance Conference

1. Start under **Absence Actions Needed** in the left navigation menu and choose **Schedule Attendance Conference**. This is a State-Required action tied to an attendance condition.
2. If a school has not already been selected, click the **magnifying glass** in the **School** field, click the **checkbox** to the left, and click **Save**.
3. If you are not prompted to select a school, one has already been chosen. Verify the school in the **Edit Page Data Settings** next to the page title.
4. The table will display each student from the school mentioned above who has triggered the attendance condition that warrants a conference.

The screenshot shows the 'Attendance Secretary' interface for 'Clear Coast High School'. The left sidebar has 'Absence Actions Needed' selected, with 'Schedule Attendance Conference' highlighted. The main area is titled 'Schedule Attendance Conference' with an 'Edit' button. Below the title, there's a filter section and a table of students. The table columns include Student Information, Attendance Condition & Actions, Evidence, Absences, and Attend. A red box highlights the 'Conference Date' field in the table, which is set to 'Tue, Jul 28, 2026'. Another red box highlights the 'Row Actions and Options' gear icon for a student named 'Q. Riti'.

5. Click the **Row Actions and Options** gear to select **Schedule and Record Attendance Conference**.
 - a. **Schedule an Attendance Conference** with the student's parent and the child to identify barriers to attendance and supports/resources available to assist the family. If the student has an individualized education program (IEP) or 504 Plan, the IEP or 504 team must convene. A conference or IEP/504 team meeting is not required if prior notice has been given, a doctor's note has been provided, and an academic plan has been put in place. This step of holding a conference for excused absences is only required for elementary school students.
 - b. The **student's name** is automatically filled in.
 - c. Click the checkbox to **Notify Responsible Educator via Email** or **Notify Student Guardians via Email**.
 - d. The **Responsible Educator** field will be filled in automatically but may be edited.
 - e. Optionally, select the **Supplemental Educator**.
 - f. Select the **Conference Date and Time**.

- g. Fill in the **Conference Location**, **Schedule Notes**, and any **Schedule Instructions** provided by the district as needed.
- h. Once complete, click **Save**.

The screenshot shows a form for scheduling a conference. It includes fields for Student (with a text input and a gear icon), Responsible Educator (required, with a dropdown showing 'Larew, Teri A. U' and a search icon), Supplemental Educator (optional, with a search icon), Conference Date (optional, with a calendar icon), Conference Time (optional, with a clock icon), Conference Location (optional, with a text input and a gear icon), and Schedule Notes (optional, with a large text area and a gear icon). There are also checkboxes for 'Notify Responsible Educator via Email' and 'Notify Student Guardians via Email', both marked as optional.

6. **Filter** results by clicking on the **Conference Date** column header.
7. Click the **Row Actions and Options** gear to the right to reveal several other actions.
 - a. **Generate Absence Conference Parent Letter**
 - b. **Send Absence Conference Parent Email**
 - c. **View and Edit Conference**
 - d. **Complete Attendance Conference**
 - e. **Suppress Attendance Conference:** To remove the event from your action list without marking it complete.
 - f. **Postpone Action** to address it later.
8. You may select **Conferences** from the left navigation menu, then choose **Conference Calendar** to view the responsible educator's calendar. Details include the student's name, conference date, time, and location. Or choose **Scheduled Attendance Conferences** to review scheduled conferences. Details include the responsible educator, date, time, location, conference notes, and instructions.
9. Take action for **multiple students** by selecting the **checkbox** to the left of each student and clicking the **Selected gear** in the top left for these options:
 - a. **Generate Absence Conference Parent Letter**
 - b. **Send Absence Conference Parent Email**
 - c. **Complete Attendance Conference**
 - d. **Generate Ad Hoc Letter**
 - e. **Generate Ad Hoc Email**

Schedule Attendance Conference (Convene IEP/504 Team)

If an elementary student with attendance issues has an individualized education program (IEP) or a 504 team, the team must convene. A conference or IEP/504 team meeting is not required if prior notice has been given, a doctor's note has been provided, and an academic plan has been put in place. This step of holding a conference for excused absences is only required for elementary school students.

1. Start under **Absence Actions Needed** in the left navigation menu and choose **Convene IEP/504 Team**.
2. If a school has not already been selected, click the **magnifying glass** in the **School** field, click the **checkbox** to the left, and click **Save**.
3. If you are not prompted to select a school, one has already been chosen. Verify the school in the **Edit Page Data Settings** next to the page title.
4. The table will display each **student** (from the school indicated above) whose **attendance requires you to convene the IEP/504 team**.
5. An absence condition of "**between 2 and 7 unexcused cumulative absences**" will trigger students who have IEP or 504 Plans to appear in this table, so that is the only option you will see in the **attendance condition column**.

6. For each student, you can click their **row action gear** to the far right and select an option:
 - a. **Schedule & Record Conference with IEP/504 Team**
 - i. **Schedule an Attendance Conference** with the student's parent and the child to identify barriers to attendance and supports/resources available to assist the family. If the student has an individualized education program (IEP) or 504 Plan, the IEP or 504 team must convene. A conference or IEP/504 team meeting is not required if prior notice has been given, a doctor's note has been provided, and an academic plan has been put in place. This step of holding a conference for excused absences is only required for elementary school students.
 - ii. The **student's name** is automatically filled in.
 - iii. Click the checkbox to **Notify Responsible Educator via Email** or **Notify Student Guardians via Email**.
 - iv. The **Responsible Educator** field will be filled in automatically but may be edited.
 - v. Optionally, select the **Supplemental Educator**.
 - vi. Select the **Conference Date** and **Time**.
 - vii. Fill in the **Conference Location**, **Schedule Notes**, and any **Schedule Instructions** provided by the district as needed.
 - viii. Once complete, click **Save**.

View Attendance Conferences

1. Start under **Conferences** in the left navigation menu and choose **Conference Calendar**.
2. You will see a calendar of upcoming conferences. To create new conferences or see which students require a conference, visit the **Schedule Attendance Conference** page under **Absence Actions Needed**.

The screenshot shows the 'Conference Calendar' interface. On the left, the 'Conferences' menu item is selected, and 'Conference Calendar' is highlighted. The main calendar view shows the month of July 2026. A red box highlights the date 27th, which has a '+2 more' link next to it.

3. Next, under **Conferences** in the left navigation menu, choose **Scheduled Attendance Conferences**.
4. You will see a data table of scheduled attendance conferences, including the responsible educator, the absence condition, whether it has been completed, the scheduled date, time, and location, and any conference notes and instructions. By default, the table filters to the conferences that identify you as the responsible educator. Clear the Responsible Educator filter to display all scheduled conferences.

The screenshot shows the 'Scheduled Attendance Conferences' interface. On the left, the 'Conferences' menu item is selected, and 'Scheduled Attendance Conferences' is highlighted. The main area shows a 'Details' section with filters for 'School (optional)' and 'School Year (optional)'. There is a search icon and a checkbox next to each filter.

- a. If a school isn't already selected, you will be prompted to select a school. Click the **magnifying glass** in the **School** field, click the **checkbox** next to the schools of your choice, and click **Save**.
- b. Select the **School Year** field similarly and click **Save**.
- c. Click the **magnifying glass** in the **School** field and click the checkbox to the left.
- d. To edit the School or School Year at any time, click the **Edit Page Data Settings** button to the right of the title.
