My Current Courses for Cert Teacher

A new page was created to surface a list of active courses where the Certificated Teacher is listed as the course Certificated Teacher. Certificated Teachers can access this via Certificated Teacher >> Courses/Classes >> My Current Courses.

The screenshot shows the 'My Current Courses' page for a Certificated Teacher. The page title is 'ALE TEACHER My Courses' with a subtitle 'Data Settings: Courses from 2021/22'. Below the title, it indicates 'ALE My Current Courses (10 records) Filtered'. The main content is a table with the following columns: Ale Course Name, Description, Syllabus, State Course Code, State Course Name, State Subject Area(s), Grade Level(s), and Is High School. A new page was created to surface SLP subject/courses that have an end date that has passed. This data will surface for the SLP Certificated Teacher and can be accessed via Certificated Teacher >>Teacher Home >>Summary >>Completed Courses tab. SLP Certificated Teachers will be able to mark one or more courses completed.

The screenshot shows the SchoolData.net interface for a teacher. The top navigation bar includes the SchoolData.net logo, the user's name 'Joe Tansy', and the role 'District Administrator'. The main header identifies the user as 'ALE TEACHER' and the page as 'Summary Completed Courses'. A sidebar on the left lists various navigation options. The main content area displays a table of completed courses with columns for Student, Grade Level, SLP Cert Teacher, Subject/Course, Subject/Course Cert, Start Date, End Date, and Participation Status. A single record for 'Smith, Jane' is visible, showing a course that ended on April 14, 2022.

Add Column to Manage ALE Users Table: Most Recent Login

We have added a new column to the Manage ALE Users table that surfaces that date/time that a user most recently logged in.

The screenshot shows the 'Manage ALE Users' interface. At the top, it says 'ALE PROGRAM MANAGER' and 'Manage ALE Users'. Below that, it says 'Manage ALE Users' with a link to 'instructions'. Underneath, it indicates 'ALE Persons (3618 records)' and 'Filtered' and 'Ordered'. The main table is divided into two sections: 'Student/Enrollment' and 'Account Info'. The 'Student/Enrollment' section has columns for 'First Name', 'Last Name', 'School Year', and 'School(s)'. The 'Account Info' section has columns for 'Account Is Active', 'User', 'Email', and 'Most Recent Login'. The 'Most Recent Login' column is highlighted with a red box, and a red arrow points to it from the top right.
