

**Mn** MEETING NEEDS  
Release Notes 2022.9.11

# Introduction

The following document will highlight the various improvements we have made to our application Meeting Needs.

<https://support.schooldata.net/hc/en-us/categories/360006159873-Meeting-Needs>

# New Features

MNMN-25

Add “Students Meeting Schedules” data table to the School Admin role, allowing them to assign students to scheduled meetings.

# Improvements

MNMN-26

Add new “Students Meeting Attendance History” data table to the Educator role for viewing historical meeting attendance.

MNMN-27

Add a new “Students Meeting Attendance History” data table to the School Administrator role, for viewing historical meeting attendance
